

FUN IDEAS TO RAISE MONEY FOR

CHARITY

BAKE SALE

Host at your work place, a local community center, or invite friends and family to your home. These can be made by yourself or ask for donations for every person who wants to sell their cakes.

FOOTBALL TOURNAMENT

Get a group of work colleagues or some friends together and host your own 5-a-side football tournament. Generate buzz around your event by taking pictures of each team and post it on social media.

CHRISTMAS JUMPER DAY

Give your colleagues a chance to showcase their best Christmas jumper. All participants donate cash to get involved. Offer small prizes in a vote for those who have gone above and beyond.

WALK A DOG

Do you know anyone who lives close to you that owns a dog? Walking a dog could be a great way to get sponsors. Plus a little exercise is always great!

GIVE UP ALCOHOL

Participants pledge to give up alcohol for a period of time to raise money. It may also be fun to have a written timeline notebook to document their time going alcohol-less.

CAR BOOT SALE

In every household, there is at least one cupboard that everyone uses to stash away items that become unused and later unwanted. What better way to get rid of items you do not need than with a car boot sale. Any thing that is made from it can be donated.
